12/8: New this week at [Smoke Signals Online](#) ...

This week at Smoke Signals Online, the net's premier smoking fetish site, we've added 682 new photos and 19 minutes of smoking fetish video, shot in high-def.

In the photo galleries, we have shoots with super-smoker, Georgia including one in a pretty summer dress, others with funky looks and spectacular closeups; the cheek-hollowing drags and masterful smoking technique, though, never change. In the high-res galleries, we have Tiffany B. on the couch, smoking Reds with nice exhales and beautiful smoke rings.

In the video galleries, sexy Juanita starts her around-the-world hardcore smoking voyage with smoky oral sex on her man, briefly receiving it in return, and then mounting her guy for some smoky cowgirl action.
